

## Scout Snowboard & Ski Day at Nemaquin

You may have seen this listed on the council's web site, or seen it listed in the past. If anyone is interested in taking advantage of the Snowboard & Ski Day at Nemaquin Woodlands, I have volunteered to coordinate the registration of our Pack for this special group price for Saturday February 25th.

It's a great opportunity for newer skiers to practice at a VERY reasonable price. The cost is \$25 which includes:

Lift ticket (9 AM to 4 PM session)

Ski rental

\*Add \$6 to rent snow board (\$31 total)

\*\*Subtract \$9 if you have your own equipment (\$16 total)

Participation patches area available for \$2 the day of the event

Please let me know of your interest RIGHT AWAY so I can get in the basic reservation NEXT WEEK, then I can add people as we go.

I'll send you more specific information, directions, the required release forms as well as discuss payment arrangements. I'll need to have your payment by the Pinewood Derby weekend, 1/21-22.

### IMPORTANT NOTE:

You will need to provide your own transportation and supervision of your children at the event.

### Other Notes:

-Snow Tubing is also available in fixed slots at the rate of \$10 for a 2 hour session. Tubing times will be determined on a first come, first served basis when you sign up. There is a 42" height requirement to participate.

-In the past, they offered basic instruction to new skiers on the beginner hill, but this year they said that this free instruction will only be available if the instructors are not busy. I take this to mean 'don't count on it'. Private lessons are available and I can assist with the contact.

-On the day of the event, you are encouraged to arrive as early as possible if you are renting skis because the equipment rental area can get overwhelmed on these Scout Ski Days. Registration starts at 8:15.

-Food is available to purchase in the lodge at a 10% discount. You might consider packing your own snacks/food to keep costs down, but they don't want you eating your own food where the paying customers sit.

-A little more information can be found at <http://www.nemaquin.com/ski-snowboard-days>

The more the merrier! I look forward to hearing from you.

-Dave Koltas
